TERMS AND CONDITIONS

The Universal Laser Systems **Laser Exchange Program** (the "Program") is offered to eligible ULS Customers for the purpose of minimizing the cost of replacing a laser source. The Program and its offerings are only available within certain geographic regions.

In addition to the Terms and Conditions outlined by the Program (the "Terms"), ULS Terms and Conditions of Sale shall also apply, when pertinent. Completion of and signature on the **Customer Express Delivery Laser Exchange Form** indicates acceptance and agreement with the Terms. ULS reserves the right to modify, supersede, amend, or terminate the Program, fees, policy, and/or any other Terms and Conditions at any time, and without notice. Selection of the shipping carrier and eligibility for the Program will solely be determined by ULS. Payments are due at the time the **Laser Exchange Form** is processed, and payment of duties and taxes are the Customer's responsibility. All are required to comply with the following ULS packing procedures when preparing a laser source for return: Use a sturdy box with 3" thick foam cut to size and inserted between the box and the laser source on all sides. Please note: An insufficiently packed laser source damaged during shipping will incur a \$500 penalty.

A laser source is considered "returned" when the supplied UPS shipping tag has been scanned and the laser source has been shipped by an authorized UPS driver or counter representative within the allotted thirty (30) day time period. On day thirty-one (31), the laser source will be considered late, and an invoice will be issued to the Customer for the laser's MSRP price plus an additional late fee of \$20 USD per day until the return laser is received by ULS. Late fees are assessed by shipping postmark. Any costs related to delays in shipping due to incorrect return shipping information or failed delivery attempts will be the Customer's responsibility. ULS shipment dates are estimated and subject to availability. By submitting this form, you agree to the [ULS Privacy Policy](#).
